

BrockWalk!!

Live Large... Walk Fast 

This is a family and friend walk done in conjunction with the BrockTrot to raise funds to benefit the Brock Wilkerson Memorial Cancer Research Fund which helps raise funds to support research and awareness of early detection of lung cancer in non-smokers . This 3 mile scenic walk through Lenox marks a memorable man, Brock Wilkerson, who's infectious spirit of what was most important to him: love, life, and enjoying every moment. We ask for your support in this great cause. Walk for Brock or for a loved one that has suffered this terrible disease.

Grab a friend or family member and walk the BrockWalk!!!

Sunday September 25, 2011
